

OOO ‚Messe Düsseldorf Moscow‘ and Eurovet terminate cooperation at CPM in Moscow

With the purchase of CPM by OOO ‚Messe Düsseldorf Moscow‘, the new legal framework has changed and unfortunately that means that it is no longer possible to further continue the cooperation between OOO ‚Messe Düsseldorf Moscow‘ and Eurovet. "We regret these developments. Eurovet was a very good long-standing partner of ours," summarizes Thomas Stenzel, Managing Director of OOO ‚Messe Düsseldorf Moscow‘.

Of course the strongly launched ‚lingerie‘ segment will continue to remain an integral part of CPM, but is now being newly installed and continued under its own management: from September 2018, the baton will be passed to ‚CPM Body & Beach‘, which will be representing the lingerie and swimwear segment for the 25,000+ professional visitors to CPM in Moscow. From then on, ‚CPM Body & Beach‘ will be the specialized ordering and B2B meeting place for lingerie and swimwear for Russia and the Eurasian Economic Union (EAEU).
