WE ARE CREATING A WORLD OF INSPIRATIONS.
TOUCHING PERSONALITIES.
IT'S NOT ABOUT DRESSES.
IT'S ABOUT SOULS.

Fashion designer Damla Ediz was born in 1979 in Bursa where she indulged in her two greatest loves: drawing and dance. She has a precious talent for art, throughout her youth, she trained in various styles of dance such as ballet and folk dance.

In her early life Damla Ediz, as a hobby, spent long time sketching designs and when she was 16 years old, she designed her first prom dress for herself and this design turned out to be the main reason of Tarik Ediz establishment.

Damla Ediz graduated from college as a computer engineer. She has successfully combined her mathematically gifted mind with her love for fashion. Her unique designs and outstanding quality has carried Tarik Ediz brand from Turkey to the international arena. Soon she started to show her designs in the most important international fashion shows in Milan, Paris, Barcelona, London and New York. Now, Tarik Ediz has a network of over 1200 stores selling the brand in over 111 countries around the world.
